

The Annual Fund

Dear Friends and Families,

Each year in February Lifestyles for the Disabled begins their Annual Fund and closes it at the end of the fiscal year on June 30th. The money raised is utilized to assist in providing our Participants with the little extras that make "**Lifestyles**" special. It could be a barbeque on a Spring Day, trips to the Bowling Alley or maybe an outing to the Movies. All those little extras add up to make each year memorable. This past year through the fundraising efforts of our families and friends we were able to provide a Christmas/ Holiday luncheon with all the bells, whistles and dancing at the Hilton for 450 of our Participants.

Lifestyles continues to grow in the number of participants we serve and in the facilities we offer. Whether it is **TeeStyles** in the Coral Island Shopping Plaza, the Café and Gift Shop at the Staten Island Zoo, the Lifestyles Educational Center (LEC) or on the Willowbrook campus there are always a number of projects and renovations being planned or in process. The largest of these renovations is the old convent at St. Sylvester's, renamed the **Lifestyles Abilities Center** that is adjacent to the LEC. All these projects are funded through grants, foundations and donations from business partners, friends and families.

Your gift along with the donations from others will be used toward needed renovations or programming upgrades. Please support the **2018 Annual Fund** by filling out the attached Response Card below and returning it to:

Lifestyles for the Disabled .
C/O Development Office
930 Willowbrook Rd 12 G
Staten Island, New York 10314

Donations can also be made via our website or through matching gift programs. All donations are tax-deductible. Thank you for supporting the Lifestyles mission of "**Creating a World of Opportunities**". Should you need additional information, please do not hesitate to call Mr. Greg Mikalauskas at 718-983-5351 Ext 118 or Ms. Kathy Zito Ext. 217.

Sincerely,

Richard Salinardi
Executive Director
Lifestyles for the Disabled, Inc.
